

Honda,
driven by The Power of Dreams,
will continue taking on challenges to share
joys and excitement with customers
and communities around the world,
striving to be a
“Company Society Wants to Exist”.

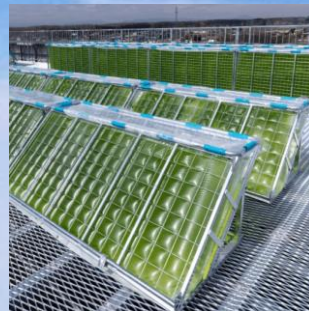

**Honda
eVTOL**

Making mobility in the skies
more accessible for people

**Honda
Cooperative Intelligence**

Aiming for zero human error
to achieve zero traffic collision fatalities

**Honda
DREAMO**

Pursuing carbon
neutrality using algae

**Honda
Avatar robot**

Always there for people and
to help people
